

## **SUMMARY OF THE ONLINE APPLICATION SYSTEM**

Your institution's nominated candidates (a maximum of 4 Visiting Scholars) will be asked to ***apply online***. We still require all candidates to be officially nominated by their home institution. Applications without your institutional approval will not be accepted.

While the candidates will be responsible for filling out the online application form and uploading their research proposal and CV, we ask that your office upload your candidates' recommendation letters and the institutional approval form.

## **HOW THE PROCESS WORKS**

**A maximum of 4 applicants at your institution can use the online system** to submit their applications.

If you have more than 4 applicants interested in the programs, your institution should first conduct its own **internal review** to determine which candidates will be nominated.

**Once your 4 candidates have been determined, your office should send them the instructions on the next two pages.** The nominated candidates should create an account and apply online. Your office will also be able to access the online system. Please note that the online system opens in July.

The **HYI application deadline is September 15, 2024**. Please be sure to give your nominated candidates adequate time to complete their online application.

## **REQUIRED APPLICATION MATERIALS**

The required application materials for the Visiting Scholars Program are listed on page 3 of this document.

The international or foreign affairs office is **responsible for receiving the applicant's 3 recommendation letters**, and then uploading them to the candidate's online account (the applicant will not be able to see the letters). Please inform applicants that recommendation letter writers can send the letters to your office via email (as a Word doc or PDF), or as a hard copy (in which case your office can open and scan the letters).

After your school's candidates have started applying online, HYI will email the international office staff person with login credentials so you can upload the applicants' recommendation letters. There is no need for partner university staff to create an account. Please wait to be contacted by HYI once your candidates have started applying (specifically, once the applicants have listed their university affiliation on the application form – this is what matches their application with your account.)

As in previous years, we also ask for an **Institutional Approval Form**, signed by the President, Vice-Chancellor, Rector, Dean of Faculty or other appropriate administrative officer of the applicant's sponsoring university. Your office will also be able to upload this Form in the online system.

## **INSTRUCTIONS FOR CANDIDATES – ONLINE APPLICATION SYSTEM**

**The HYI online application portal will open in July 2024.** Candidates cannot start their applications online before this time.

To apply online, applicants should go to: <https://www.onlineapplicationportal.com/yenching>  
Click on “Applicant Registration – Start Here”.

*Q: What materials will the applicant be asked to provide?*

A: Please see the following page for the list of required materials. At any point during the application process you can save your application, and can come back and work on it at a later time.

*Q: What about my 3 recommendation letters?*

A: Each application requires 3 recommendation letters, in English. However, these letters cannot be uploaded directly by the applicant. Letters should be sent **directly** from the letter writer to your international/foreign affairs office (or the staff office responsible for your nomination). The international office staff will also have an online account, and will upload your 3 recommendation letters. The letters will be attached to your application, although you will not be able to view them.

*Q: If I can't view the letters, how do I know if they have been uploaded and attached to my application?*

A: On the application portal home page, by clicking on “Track Reference,” you will be able to see if your 3 letters (and the Institutional Approval Form) have been uploaded. You can submit your application even if the files haven't been uploaded by your university yet. After you submit your application, you can continue to check the status of your letters.

*Q: What is the application deadline?*

A: Candidates must submit their application online by **September 15, 2024**.

*Q: How do I know that my application has been received by HYI and is complete?*

A: Once you have submitted your application materials, you will receive an email (from [yenching@onlineapplicationportal.com](mailto:yenching@onlineapplicationportal.com)) confirming receipt of the application. If there are any concerns, we will follow up with you directly.

*Q: I am having trouble with the online system and need to speak with someone.*

A: If you have a question about the application process, email [hyiprogram@fas.harvard.edu](mailto:hyiprogram@fas.harvard.edu). For technical questions about the website, please email [yenching@onlineapplicationportal.com](mailto:yenching@onlineapplicationportal.com).
